REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance.

The prior art does not teach all of the limitations of the claimed invention including a wear indicator that extends from either a shoulder of the box member or a shoulder of the pin member (as required in each of Claims 1, 10 and 21). With respect to Claim 19, the applicant(s) have invoked 35 U.S.C. 112, 6th paragraph with the limitations of "means for indicating wear", which directly corresponds to a structure of a wear indicator that extends from either one of a shoulder of a box member or a shoulder of a pin member.

The examiner has carefully reconsidered the applicant(s) arguments duly noted in the Appeal Brief (filed on 7/11/05) and has found these arguments to be fully persuasive with respect to the above features. Furthermore in the area of secondary consideration, the examiner has also carefully reviewed and reconsidered the Declaration filed on 37 CFR 1.132 (dated 7/12/04) and has found the statement in the Declaration to be fully persuasive as this Declaration overcomes the prior art.

Accordingly, Claims 1-22 and 24 are allowed.

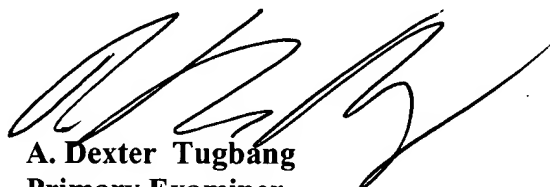

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
